ABOUT SWERMA

SWERMA was formed in 2003.

- SWERMA's **goal** is to be the leading association for all who work with Risk Management in Sweden.
- SWERMA's **vision** is that risk management should evolve to become a natural and integral part of any organization's activities; be they private companies or parts of the public sector e.g. municipality, county or state.
- SWERMA is a referral body to the Swedish FSA
- SWERMA has 403 members:
 - 233 Risk/Insurance Managers
 - 170 Others (insurers, brokers, risk or security consultants etc)
